

# Warranty Upgrades

Warranty Upgrades enable customers to vary response time and level of service to match critical support needs

Get the peace of mind and coverage for costly repairs with the convenience of in-home service.

**No hidden fees** – you won't pay a rupee in deductibles and fees warranty service

Remote problem diagnosis and support included, replacement parts and materials included, escalation management and coverage for all Lenovo branded components

**Support Hours:**

9am to 6pm (Monday to Friday)

Optimize your investment by extending the manufacturer warranty and make your laptop last longer. Get back to business faster with onsite support within 48 business hours (varies based on location) in case your issue is not resolved over phone
