Motorola x Movember Donation Campaign – Terms and Conditions

1. Campaign

Lenovo Global Technology UK Ltd (“Lenovo”, “we”, “us” or “our”) will donate to Movember Europe an amount equal to 5% of the Qualifying Sales Value of each Qualifying Purchase made during the Campaign Period through the dedicated Movember link at https://motorola.sjv.io/7X7g5Y (the “Campaign”). Customers do not pay any additional amount as a result of the Campaign.

2. Campaign Period

The Campaign begins at 00:01 UK time on 1st Novemeber 2027 and ends at 23:59 UK time on 30th Novemeber (the “Campaign Period”). Purchases made before or after the Campaign Period will not qualify.

3. Who Can Participate

The Campaign applies to customers aged 18 or over who purchase an eligible product for delivery to a UK address through the Motorola UK online store during the Campaign Period. No registration, claim or separate donation by the customer is required.

4. Qualifying Purchase

A “Qualifying Purchase” is a completed purchase of all products from the Motorola UK online store that: (a) is initiated by clicking the dedicated Movember link; (b) is successfully recorded by the campaign’s tracking system; (c) is paid for in full; and (d) is not cancelled, returned, refunded, charged back, fraudulent or otherwise invalid. Purchases made through another website, retailer, marketplace, telephone sales channel or a different link do not qualify.

Tracking may depend on cookies or similar technology. A purchase may not be attributed to the Campaign if the customer blocks or deletes relevant cookies, uses another browser or device, leaves the purchase journey, follows another referral or advertising link before ordering, or if tracking is otherwise unavailable. The order records and tracking data held by Lenovo and its service providers will determine whether a purchase qualifies, subject to manifest error and the customer’s statutory rights.

5. Donation Calculation

For each Qualifying Purchase, Lenovo will donate 5% of the “Qualifying Sales Value” to Movember Europe. Qualifying Sales Value means the amount actually paid for eligible products, excluding VAT], after deducting discounts, promotional credits and

refunds, and excluding delivery charges, optional services, insurance, extended warranties, gift cards and any other non-product charges. The total Campaign donation is not capped.

If a Qualifying Purchase is cancelled, returned, refunded or charged back in whole or in part, the donation will be calculated using only the final retained Qualifying Sales Value. Nothing in these terms limits a customer's cancellation, return, refund, warranty or other statutory rights.

6. Donation to Movember

Lenovo will calculate the final donation after allowing for cancellations, returns, refunds and chargebacks, and will pay it to Movember Europe within 30 days after the end of the campaign period. Movember Europe is a registered charity in England and Wales (no. 1137948) and Scotland (no. SC041981), and a company limited by guarantee registered in England and Wales (company no. 07275694). The customer is not making a charitable donation through the purchase and will not be entitled to claim Gift Aid or any tax relief in respect of Lenovo's donation.

7. Availability and Changes

Product availability, prices and delivery are subject to the Motorola UK online store terms of sale. Lenovo may amend, suspend or end the Campaign where reasonably necessary because of circumstances beyond its reasonable control, fraud, technical failure or legal or regulatory requirements. Any change will not affect donations already validly generated from Qualifying Purchases, unless required by law.

8. Data Protection

Personal data relating to a purchase will be handled in accordance with the applicable Motorola privacy statement and cookie notice. Campaign attribution may involve sharing or receiving limited transaction and tracking data with service providers that operate the referral link. Movember will not receive customer personal data for this campaign.

9. Liability

Nothing in these terms excludes or limits liability where it would be unlawful to do so, including liability for death or personal injury caused by negligence, fraud or fraudulent misrepresentation, or any rights that cannot lawfully be excluded. Subject to the foregoing, Lenovo is not responsible for a purchase failing to track due to circumstances outside its reasonable control.

10. Governing Law

These terms are governed by English law. Consumers living in Scotland or Northern Ireland may also rely on any mandatory rights and bring proceedings in their local courts. Otherwise, the courts of England and Wales will have jurisdiction.
